

## Get involved in planning mental health services for children and young people in Cambridgeshire and Peterborough

There will be a new Children and Young People's mental health strategy for Cambridgeshire and Peterborough from April 2022. This will be a plan which tells us how services and projects will help children and young people aged 0 to 25 who have mental health problems. The strategy will be owned and shared by the Children and Young People's Mental Health and Wellbeing Board as part of the wider mental health system.

An organisation called taproot is running discussion events to engage local people with deciding the priorities of the strategy. The events are open to professionals, service leads, parents/carers and young people (as long as they are appropriately supported to take part by an accompanying adult). Attendees will be sent relevant information before they come. To book tickets, follow the booking links in the table below.

Date	Location	Time	Booking link
12 <sup>th</sup> January 2022	<b>ONLINE</b> Via Zoom	6:30pm to 9pm	<a href="#">Book tickets</a>
